

# Danderine

**Stops Falling Hair and  
Destroys Dandruff**

**Makes the Hair Grow Long, Heavy  
and Luxuriant and We Can  
Quickly Prove It**

**If You Wish to Double the Beauty of  
Your Hair at Once, Just Get a 25  
Cent Bottle and Try This**

Surely try a Danderine Hair Cleanse if you wish to immediately double the beauty of your hair with little trouble and at a cost not worth mentioning—just moisten a cloth with a little Danderine and draw it carefully through your hair, taking one small strand at a time, this will cleanse the hair of dust, dirt or any excessive oil—in a few moments you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance, the beauty and shimmer of true hair health.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. It's exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to grow all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

You can surely have pretty, soft, lustrous hair, and lose it, if you will just get a 25 cent bottle of Danderine from any drug store or toilet counter and try it as directed.

## CONTRACT FOR THE CABLEWAYS IS AWARDED

**Work on Flume at Elephant  
Butte Is Nearly Half  
Completed**

Elephant Butte, N. M., Sept. 7.—Information has been received here that the Ledgerwood Manufacturing company was the successful bidder for the three cableways which are to extend across the canyon at the damsite and exact length of these will be 1,416, 1,426, and 1,436 feet.

The foundation for the towers on the east side of the river will be 69 feet above the roadway on the dam, while those on the west side will be one, six, and 18 feet lower respectively. Changes have been recently made in the height of the towers and detailed information is not available.

Twenty-four thousand cubic yards of material, mostly rock, was excavated from the flume during the past month. The flume is now about half completed. The dam is now located so they can work to better advantage than at any time previously.

Mr. MacViney, who has charge of the mercantile store, has resigned his position and left for San Francisco.

## HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores.

Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

**BRADFIELD REGULATOR CO., Atlanta, Ga.**

## ONE DOSE ENDS INDIGESTION, GAS, DYSPEPSIA OR A SICK STOMACH.

**A little Diapiesin will  
promptly regulate any  
bad Stomach**

Why not get some now—this moment, and forever rid yourself of stomach trouble and indigestion? A single dose will digest all the food you eat, give it a good start, then take Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with noxious odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case

where he says a more lucrative position awaits him.

The services held at the church tent were largely attended.

The sermon was by Rev. Mr. Buell.

Monday, Labor day, was the most quiet day in camp for several months.

All employees were given a day's vacation with pay. Very few of the men paid by the day were on duty.

Some of the clerks and engineers worked part of the day. This is the first day for months that blasting has not been heard.

Several games of tennis were played, the court being in use nearly all the time. A game of baseball was played on the grounds in Ash Canyon in the afternoon between the Roughnecks and the Paperollers, the former winning three to one.

W. W. Barracks, carpenter foreman, has resigned his position and has gone to Deming, where he is a homesteader.

A. Harr and wife will leave here in a few days. Mr. Harr has held a position as carpenter foreman.

The contract for plastering and pebble dashing of various buildings has been finished and the plasterers, many of whom were from Las Cruces, have returned home.

About twelve plasterers have been at steady work during the entire summer.

Engineer Sanborn has moved his household goods into the house lately vacated by W. M. Barracks and family.

The A. S. society will meet at the church tent at the townsite Thursday afternoon at 3:30.

T. C. Mason is taking a month's vacation.

In the late tennis tournament the Roughnecks were defeated by the Paperollers by a score of 12 to 18.

Mr. and Mrs. Fairchild have gone to Los Angeles, Calif. He held a position as carpenter and until recently she was a stenographer in the reclamation office.

Dorothy Foster has resigned his position as steward of the camp and will leave for San Francisco.

E. Fitzsimmons, formerly at the N. S. R. S. at Washington, D. C., has a position here.

**AMERICAN SCHOOL  
OPENS IN CANANEA**

Cananea, Mex., Sept. 7.—The American school, with owned by Miss Dorothy, Monro, Resner and Work as teachers.

The silver loving cup donated by David Cole, former assistant general manager of the Green Cananea company, for the coming tennis tournament, has been received here. It is a work of art. The time for the tournament has not yet been decided, but it will be held this month.

Mr. and Mrs. J. P. Ferguson have gone to Los Angeles, where Mr. Ferguson hopes to regain his health.

John Hughes, manager of the Cananea stores, and A. Dominguez, in charge of the dry goods department of the institution, left for Mexico City on a three week buying visit.

Mr. C. Spire, M. C. daughter, Thelma, have gone to El Paso to probably make their future home. Mr. Spire, who conducted the Hotel Sonora until Sept. 1, goes to El Paso later.

**TEACHERS' EXAMINATIONS  
ARE HELD AT SOLOMONVILLE**

Solomonville, Ariz., Sept. 7.—The quarterly examinations for teachers are being held at the courthouse. A number of teachers are taking the examinations.

Mrs. Bertha Woods is moving into the Fitzgerald cottage on Main street just below the market.

Mrs. C. Dawson, who will teach the San Jose school, again this year, has returned from Indiana.

**HAS PLANS DRAWN FOR  
HOUSE ON BROWN AND NEVADA**

Dr. H. O. Barnett is having plans drawn for a six room house on the corner of Brown and Nevada streets. The house will cost \$2500 and the plans are being drawn by Frost and Frost.

**DAUGHTER OF PONCE DE LEON  
EAGER TO ATTEND SCHOOL HERE**

When school opened at the Franklin school Tuesday a big, eyed, bright-faced little girl applied for admission to the first grade of the Leon street school. She could not speak any English, but she soon made the teacher understand that she had come to learn English and American ways.

She is Solida Ponce de Leon, daughter of former chief of police Antonio Ponce de Leon, of Juarez. She is to be educated in the El Paso schools by her father, who is now a resident of this city and who has applied for papers as a citizen of the United States.

**SAYS PLANTERS STOP  
TRAINING TO GET WORKERS**

J. W. Carter has returned from east Texas, where he has been on a two week vacation trip. Mr. Carter says that the scarcity of cotton pickers has caused the planters along the railroad line to stop trains and beg the passengers in the day coaches to come and pick cotton for them to prevent the crop from going to waste.

**There is nothing else better to take  
Gas from Stomach and cleanse the  
stomach and intestines, and besides,  
one single dose will digest all the food  
you eat, give it a good start, then take  
Diapiesin to start the digestive juices  
working. There will be no dyspepsia or  
belching of gas or eructations of un-  
digested food; no feeling like a lump  
of lead in the stomach or heartburn,  
sick headache and dizziness, and your  
food will not ferment and poison your  
breath with noxious odors.**

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case

of indigestion and upset stomach in five minutes.

When Diapiesin works, your stomach feels better, your head clears up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all stomach misery is waiting for you as soon as you decide to take a little Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out of order and uncomfortable now, you can get relief in five minutes.

## ANOTHER DAM IS BUILT AT DAMSITE

**Plans Are Made to Divert  
Water of River For  
Main Dam Work**

The newest dam at the Elephant Butte damsite is a coffer dam which is being built to divert the waters of the Rio Grande into the bypass now being cut to parallel the river. The coffer dam will be 400 feet across and will send the water through the bypass and permit of excavation in the bed of the river where the permanent dam is to be built.

A duplicate of the upstream dam is to be built 300 feet down stream to prevent the backflow of water from interfering with the excavation operations.

Electrically driven pumps will be installed to take care of the underflow at the point where the big dam is to be built and the excavation work which is to be on bedrock.

A cableway is now being erected to handle the heavy material used in the construction of the big dam.

The cableway will be 1420 feet across the river from pier to pier and will be strung with three steel cables, each having a lifting power of 15 tons. These cableways will be used for lifting the sand out of the bed of the river, placing it in a convenient place for future use and for hauling cement, supplies and even moving the large derricks from place to place on the floor of the river.

**MARTINEZ TO INVITE  
DEMOCRATS TO COME**

Felix Martinez has gone to Albuquerque to attend the meeting of the New Mexico Democratic central committee. While there he will invite the members of the committee to attend the statehood celebration in El Paso as the guests of the city.

The Republican central committee of New Mexico has already been invited and the party organizations of Arizona are also to be invited.

**HUMANE SOCIETY TO  
HAVE SCHOOL TALKS**

Lectures on humane subjects are to be given in the city schools this winter. The lectures are to be under the auspices of the Humane society of the city, and Mrs. M. E. Rhein will give the first series of talks on humane treatment of animals before the pupils of the city schools.

The Humane society is making an effort to raise funds to maintain its activities in behalf of the dumb animals.

**DAILY RECORD.**

Deaths Filed.

Clint, Texas.—C. N. Bassett to J. E. Varn, block 15, lot 11, Sept. 6, 1911.

## ARTESIA SCHOOLS BEGIN A NEW TERM

**Democrats Pleased Over the  
Calling of Primaries In-  
stead of Convention**

Artesia, N. M., Sept. 7.—The public schools have opened under superintendent W. L. Bishop with a full corps of teachers as follows: W. L. Bishop, history and mathematics; Mrs. S. H. Wood, science and English literature; J. J. Strickling, mathematics, bookkeeping and history; Miss Gay Jackson, Latin and mathematics; Miss Marie Parrish, English and Spanish; Miss Nell Sullivan, music and drawing; Miss Alice Atteberry, fifth grade; John Van Hoy, sixth grade; Miss Artie, fourth grade; Miss Cora Freeman, high third grade; Miss Hericlie Adams, low third grade; Miss Pauline Shelly, high second grade; Miss Emily Hewitt, low second grade; Mrs. James, primary.

The Democratic politicians of Artesia are elated over their success at the meeting of the Democratic county committee in getting primaries for all the offices instead of a convention, and in having the primaries October 14th in order to give new candidates an opportunity to get acquainted.

They are, however, disappointed at Carlsbad's wanting about all of the county offices. It was expected that Carlsbad would let Artesia have a state senator, but even that office is coveted by the county seat.

**THE PECOS VALLEY  
LIKES THE HERALD**

Artesia, N. M., Sept. 7.—The Artesia edition of The El Paso Herald aroused considerable enthusiasm and was in great demand. It was a great aid for the Pecos valley, and will stimulate interest in this section and its many opportunities.

Roswell, N. M., Sept. 7.—The boost for the El Paso Herald gave Roswell brought out a great many compliments for The Herald among citizens of the town and vicinity.

**The Army of  
Constipation**

Is Growing Smaller Every Day.

CARTER'S LITTLE LIVER PILLS are responsible—they not only give the permanently constipated, but the temporary constipated, relief.

Small pill, small dose, small price. Genuine must bear Signature.
